Devarana Herb *Tamrab* for Monsoon Escape

Devarana Spa introduces luxury massage treatment specially designed to ease rainy season blues

Bangkok, 2 April 2018 – The luxury Devarana Spa at Dusit Hotels & Resorts has introduced a special spa package featuring an invigorating, aromatic massage designed to revitalize anyone suffering from depression, fatigue, or an imbalance of energy caused by the onset of the rainy season.

Designed to promote a healthy body and mind by balancing overall life energy – known as Prana – the unique Monsoon Escape Massage treats muscles, tendons and joints with a Galangal aromatic oil blend. The long stroke techniques using elbow and forearm are seamlessly blended with the deep and firm pressure of fingers and palms to revitalize the body and melt stress and tension away. A bowl of hot water infused with freshly sliced onion, kaffir lime and aromatic peppermint, meanwhile, aids respiration.

This treatment is available throughout May to July 2018 at all Devarana Spas.

Tamrab is the Thai word given to premium, age-old recipes that are known for the superior quality of their ingredients and meticulous attention to detail. Devarana Spa reflects this in all of its treatments by using only the finest products available.

The 90-min Devarana Herb *Tamrab* for Monsoon includes:

Note to editor:

Devarana, pronounced “Te-Wa-Run,” is a Thai Sanskrit word meaning “garden in heaven” that was inspired by *Traibhumikatha*, ancient Thai literature written by Phraya Lithai of the Sukhothai Dynasty in 1345 AD. Devarana Spa was established to offer spa lovers outstanding spa services at selected five-star hotels. With an emphasis on pampering and wellness, the spa’s “East-meets-West” Thai health and beauty practices have been sourced from age-old therapies and updated with modern knowledge to pamper and revitalise guests. From the beginning, Devarana has grown from strength to strength with spas located at many of Dusit International’s renowned hotels, including Dusit Thani Bangkok; Dusit Thani Pattaya; Dusit Thani Hua Hin; dusitD2 Chiang Mai; Dusit Thani Manila; Dusit Thani Maldives; dusitD2 nairobi; Dusit Devarana Hot Springs & Spa Conghua, China; Dusit Thani Guam Resort; and Dusit Thani Lakeview Cairo, Egypt; and there are many more projects to come.
